REQUEST FOR INITIATION OF AN AMENDMENT TO THE CITY'S GENERAL PLAN

By law, only the City may initiate an Amendment to the General Plan. Therefore you must request that the City initiate a Plan Amendment by completing the following:

I hereby request that the Director of Planning initiate a General Plan Amendment
 from: Commercial Manufacturing
 to: Regional Commercial. An amendment to Footnote No. 2 is requested to allow HD-4 on subject property on property located at: 1330 W. Pico Blvd, 1308-1346 S. Albany Street
 within the: Westlake District/Community Plan.

By my signature below, I request the aforementioned General Plan Amendment and affirm my understanding that to ensure a comprehensive review of the request and to avoid the introduction of any "spot" planned land use, staff may recommend initiating additional properties ("added areas") within the immediate area for a similar General Plan Amendment and that, if so, updated application materials, including but not limited to, the radius maps and an expanded notification list, will be required.
